A REGULAR MEETING of the EXECUTIVE COMMITTEE of the NATIONAL SCRIP COLLECTORS ASSOCIATION was held on FRIDAY, MAY 3, 1985, at 5:30 p.m., at the Holiday Inn, Bridgeport, West Virginia. There were present the following constituting a quorum for the transaction of business: President Tom Hitt, Vice-Presidents Crawford Blakeman and John Podgurski, Secretary - Treasurer Walter Caldwell, Past Presidents R. R. Tippy and Bill Williams.

Following a discussion and a presentation by Scriptor John Taylor, the Board voted to hold the Fall 1985 meeting at the Ramada Inn, Duffield, Virginia on the first week-end of October. The facility is located on US 23 and US 58-421 near Kingsport, Tennessee and Bristol, Virginia.

Book Committee Chairman Bill Williams reported that (1) the \$5000.00 loan from TAMS (Token & Medal Society) has been repaid on time with a personal balance due him of \$2100.00. This was needed to meet the obligation. (2) 621 Edkins books have been sold to date with total receipts of \$15,186.00. (3) the sale of only 158 additional books is needed to bring all obligations of both volumes to a paid basis.

Following proper motion, it was voted to discontinue the request for \$1 postage on all book orders since the selling price of \$30. to non-members and \$24 to members, for either volume, is to include the shipping costs. It was noted that the usual dealer discount of 40% is to apply as in the past for ten or more copies.

Secretary - Treasurer Walter Caldwell reported that the current balance in the NSCA account in the Fayette County National Bank, Fayetteville, West Va. was \$7633.03 with Cash on Hands of \$80.00 to total \$7713.03.

It was noted that the current 1985 paid membership was 362 indicating that about 150 members failed to renew currently. All hobby organizations have reported a drop in membership and all members were urged to devote some time to signing additional members for the organization.

A discussion was held on ordering membership pins for the organization with each new member to receive one of the pins when joining. It was noted that as little as 200 pins can be ordered and the Treasurer was authorized to proceed on the matter.

There being no additional business, the meeting was adjourned.

Tom Hitt, President

Walter Caldwell, Secretary

A REGULAR MEETING of the Membership of the NATIONAL SCRIP COLLECTORS ASSOCIATION was held on Saturday, May 4, 1985, at 7:30 a.m., at the Holiday Inn, Bridgeport, West Va. President Tom Hitt ascertained the presence of a quorum for the transaction of business.

A moment of silence was observed for the following members who have been reported as deceased during the past year: Herman C. Baker 4/84; Burman Burgess 3/84; Harry Dunn 12/84; Harry Skaggs 11/84 and Henry Shrohm 5/84.

Secretary Treasurer Walter Caldwell reported on the current membership status and urged the members to devote time to recruiting as was noted in the report to the Executive Committee. The club bank balance was reported as \$7633.03 with \$80.00 Cash on Hands.

Book Committee Chairman Bill Williams reported that all rights to the publication of the coal token catalogs for the future have been assigned to NSCA by Don Edkins. A copy of the legal agreement is being made a matter of the minutes of this meeting. He reported that only 158 additional books need to be sold to have all obligations of the committee in connection with the publication of both volumes to be in balance.

President Tom Hitt reported that the winner of the Membership Contest and the Donohoe Award for the Best Article published in "SCRIP TALK" will be announced later. Too, it was noted that the FRED LANGE OUTSTANDING MEMBER AWARD will be announced later if any selection is approved by the committee.

President Hitt announced that the FALL 1985 meeting would be held at the Ramada Inn in Duffield, Virginia on the first weekend of October 1985. It was noted that plans are not yet complete for the SPRING 1986 meeting to be held in West Virginia.

Scriptor Bill Williams announced that the Friday night floor auction resulted in the club receiving \$208.40 commission for the general fund to help offset the expenses of the Bridgeport meeting.

Outgoing President Tom Hitt thanked the members for their support during his two year term and noted that special thanks was due to R. R. Tippy, Bill Williams and others for their special advice and support. Too, it was noted that Dave Schenkman devoted many hours to photography for the publication of the new catalogs and his name was in error omitted from the Credits list.

Nominations Chairman R. R. Tippy presented the followins slate of new officers: PRESIDENT: Crawford Blakeman; VICE PRESIDENTS - John Podgurski, Mark Ballard and John Taylor. Secretary- Treasurer: Walter Caldwell. There being no additional nominations from the floor, the new officers were elected by accumulation.

Special thanks from the organization was given to Scriptor Jim Thompson for providing the RAMP DINNER for all members on Thursday night. The menu included ramps, brown beans and cornbread, fried potatoes, kraut and "white lightning".

There being no additional business, the meeting was adjourned.

Tom Hitt, President

Walter Caldwell, Secretary

.....

A SPECIAL MEETING of the new officers of the NATIONAL SCRIP COLLECTORS ASSOCIATION was held on Saturday, May 4, 1985 by President Crawford Blakeman.

A general discussion of committee appointments was made and all committees will be announced in the club bulletin "SCRIP TALK".

It was noted that all members need to be reminded that NSCA has a policy for the selling of a deceased member's token collection at reduced commission rates thru the club bulletin.

Too, it was noted that an Amendment of the By-Laws is needed for the FALL 1985 membership vote so that final actions of the Catalog Committee can be brought under the control of the Executive Committee as requested by the Committe Chairman.

The Secretary was authorized to have prepared an updated copy of the By=Laws for each officer and for the information of all members. This will be included as a part of a future issue of the club bulletin.

There being no additional business, the meeting was adjourned.

Crawford Blakeman, President

Walter Caldwell, Secretary

1077. Mark Ballard - Membership postage	<u>38.06</u>

Total disbursements: 2456.43

Balance, May 1, 1985 \$ 5256.60

SECRETARY'S REPORT:

Our organization - like most other hobby groups - has suffered a great loss of members during the past year !! From a high of approximately 500, we have a current membership paid of 362.

Membership Chairman Mark Ballard has done a fine job in contacting those who did not renew for 1985 and he will probably have a report later. Too, your Secretary made contacts with all those who did not renew asking for reasons or if they had complaints. Only a few responded and they noted that they were dropping membership due to lack of interest in tokens, belonged to too many organizations, etc.

The new MEMBERSHIP CHAIRMAN will have a big job in trying to encourage the present membership to get busy and recruit those that they contact in the token world !! There are many, many lumber and mill token collectors that should join our organization.. Too, mine lamps and mine artifacts have many collectors that should join our ranks!! Paul Kouts has done a find job in recruiting in the mine lamp collecting field !! How many of you reading this report make contacts with collectors that do not belong? Let's all get busy and sign some new members !!

Walter Caldwell
Secretary - Treasurer

COMMENTS ON THE BRIDGEPORT 1985 CONVENTION:

Activity was at a high pitch during the event at the Holiday Inn in Bridgeport, West Va. Scriptor Jim Thompson certainly deserves the plaudits of all for the super RAMP DINNER he provided for all in attendance on Thursday night. About 45 members and guests attended..... Comment was made that the borse room should not be opened until 9 a.m. at future conventions and that the Membership Breakfast should not start until about 8 a.m. Seems that the members cannot break from their beds so early !! Possibly the new officers will consider this when future schedules are being set up !!..... The Treasurer reported that \$209.20 plus a \$2.00 donation was cleared from the Auction on Friday night. Note was made that future auctions should be made up in advance so that members could bid from the floor or by mail... Good suggesting. \$321.00 in merchandise sales of emblems, medals, caps, etc. was made at Bridgeport. The remaining inventory items were sent to Virginia with John Taylor so that they can be sold - at reduced prices - at the FALL 1985 meeting in Duffield, Virginia.... Members reported lots of buying, selling and trading at Bridgeport. One member noted that he had purchased over \$2,000. of new scrip tokens and another reported purchases of about \$3,000. Not only were scrip tokens being sold and traded, but activity was heavy in mine lamps, postcards, mine artifacts, etc. If you have never attended, better start making plans now for FALL 1985.... W.C.

.....
CORRECTION: While checking over the meeting minutes, I note that an incorrect figure was used. This correction has been made in the original minutes but will show incorrectly on the copy reproduced in this bulletin.... The correct balance in the club treasury is \$5256.60. (The figure reported was the total receipts figure and did not account for the disbursements from the account.. The Janitor has been advised to be more careful in the future!)

MINE LAMP SECTION

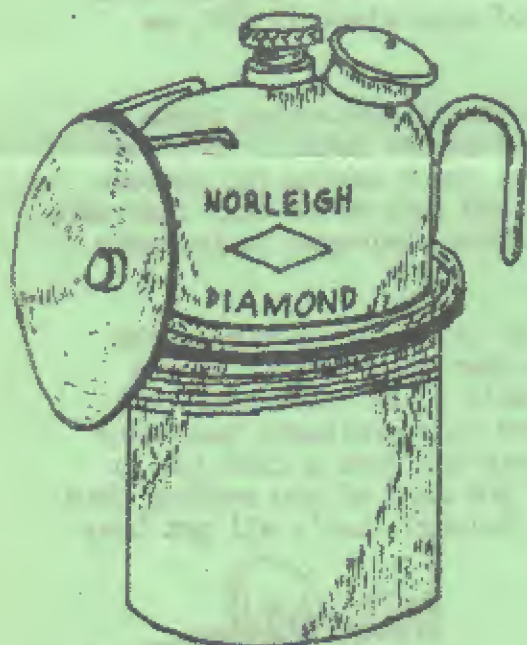

We need additional articles and information on mine lamps for the many new artifact collectors that are joining NSCA !! If you can help, please send in your articles.....

BOOK REVIEW:

"A COLLECTORS GUIDE TO ANTIQUE MINERS' CANDLESTICKS" by Wendell Wilson & Ted Bobrink

This book is available from: Mineralogical Record Inc., P. O. Box 35565, Tucson, Arizona 85740. I am not certain of the price but believe it is in the \$30 range. The 145 page, soft bound book contains many, many pictures of candlestick lamps and old mining pictures. The history of underground lighting is included. Although the authors note that the lamps were mostly used in the West, many of our present coal token collectors have included these interesting items in their artifact collections.

"SCRIP TALK" feels that Paul Kouts will have more interesting articles for us once he gets settled in the new home that he is building. Stick with NSCA and take advantage of the FREE ads that are available in each issue. You just might be able to find that lamp that you are seeking.
